Primary PE and Sport Premium 2026-2027

Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6, and must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity that they offer. This includes:

- Developing or adding to the sporting activities that the school already offers.
- Building capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.
- Supporting inclusion across the school so that all children have access to high quality sporting activities and opportunities.

PE Subject Leader: Mr. Adam Miller **PE Lead Governor:** Mr. Andrew Robinson

In March 2026 we achieved the **PE Quality Mark for Physical Education, School Sport and Physical Activity** at Greenways Primary School.

The validator highlighted the following reasons for the award:

- Physical Education, School Sport and Physical activity are central to school life.
- A large number and range of clubs and activities are offered, some at the request of individual pupils. A great number of pupils are involved in these, not just the best and this is recognised by staff and pupils alike.

- There are excellent links with SEND, these could and should be developed further. There is already a willingness on all sides for this to happen.
