Greenways Primary School

Primary PE and Sport Premium Impact Report 2025-2026

Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6, and must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity that they offer. This includes:

- Developing or adding to the sporting activities that the school already offers.
- Building capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years .
- Supporting inclusion across the school so that all children have access to high quality sporting activities and opportunities.

Primary PE and Sport Grant Income 2025-2026

	2025-2026
Total PE and Sport Premium Income	£23,580
Number on Roll years 1 - 6	745

PE Subject Leader: Mr. Adam Miller **PE Lead Governor:** Mr. Andrew Robinson

In March 2026 we achieved the **PE Quality Mark for Physical Education, School Sport and Physical Activity** at Greenways Primary School.

The validator highlighted the following reasons for the award:

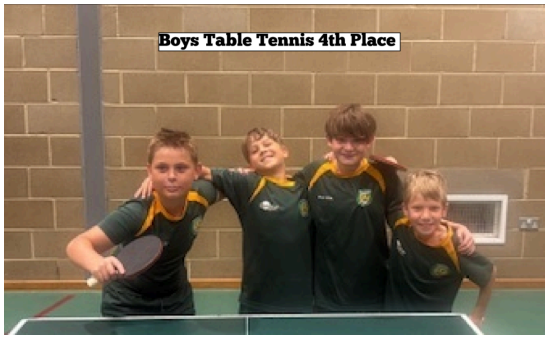

- Physical Education, School Sport and Physical activity are central to school life.
- A large number and range of clubs and activities are offered, some at the request of individual pupils. A great number of pupils are involved in these, not just the best and this is recognised by staff and pupils alike.

- There are excellent links with SEND, these could and should be developed further. There is already a willingness on all sides for this to happen.

Primary PE and Sports Grant - Spending 2025-2026

Key Indicator 1: Engagement of all pupils in regular physical activity, for example by:	**Total allocation**
• Providing targeted activities or support to involve and encourage the least active children • Encouraging active play during break times and lunchtimes; • Establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered; • Adopting an active mile initiative; and • Raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim.	£3,000

Intent	**Implementation**		**Impact**
To increase students' physical activity outside of the school day.	There are regular before and after school opportunities to be engaged in sport, provided by the PE Team and wider teaching team as part of the provision of clubs.	£500	There has been a continued drive to target children to increase the participation in our club provision, resulting in 66% of the children at Greenways Primary School attending a sports club during the year. This breaks down into 70% of Key Stage 2 children attending a club, with 56% of children in Key Stage 1. 55% of children registered with a SEND need attended a club and 54% of children eligible for Pupil Premium also attended a club. An example of what has been provided in order to increase participation in extra curricular clubs is an early morning cross country club, which was attended by a total 0f 150 children for 10 consecutive school days.
To ensure that all students are able to swim by the end of Key Stage 2, and have learned key life-saving skills.	Greenways has two level two trained swimming instructors and one further lifeguard. We have an outdoor pool, which enables all students from Early Years to Year 6 to access swimming lessons and learn water safety throughout the summer term. This provision extends beyond the requirements of the National Curriculum.	£2500	Weekly lessons throughout the summer term were provided for all children in the school, 69% of children in Year 6 reached 25m and the requirements for the end of Key Stage 2 swimming expectations. Children in all year groups were introduced to life saving information, including the star float, with some wearing their own clothes to re-enact an accidental immersion.

			
150 children took part in 10 consecutive mornings of cross country running.	Boys' table tennis competition, September 2025.	Year 5 and 6 tag rugby, October 2025	Year 6 visit to Nuclear Races, October 2025

Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole-school improvement, for example by:	**Total allocation**
• Encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school; and • Embedding physical activity into the school day through active travel to and from school, active break times and active lessons and teaching.	£1580

Intent	**Implementation**		**Impact**
To encourage families to use sustainable, active methods of travel to get to and from school.	Promote walking, cycling and riding a scooter to school. Positive recognition of those children who travel to school sustainably.	£250	As a result of the provision of bikeability sessions, more children have taken the opportunity to come to school on their bicycles as a regular part of their routine.
To improve students' confidence and opportunities to ride their bikes,	Provision of the Bikeability Scheme through Cycle Southend in Year 1 and Year 6 has been implemented this year. Year 1 focus on	£500	Year 6 completed their extensive bikeability courses, which took place on the local roads after the initial assessment. All children showed an increase in their confidence in riding their bikes on the

including on the road, in order to promote physical activity.	learning to ride and in Year 6 pupils focus on riding on the road, and the highway code. We have been able to renew bicycles and helmets where necessary.		road.
To develop leadership through sports leader opportunities.	Our Upper Key Stage 2 students have opportunities to develop their skills as sports leaders, organising games on the playground during break and lunch times, and supporting whole school events such as the swimming galas and sports days.	£330	A number of Year 6 children supported with clubs and sporting events with the younger children, giving them a sense of responsibility as well as a recognition for their strengths in Physical Education.

Y6 Essex Cup. First Round Greenways Win 5-4

Year 5 and 6 basketball team

Year 5 and 6 Netball 'A' League Team

Year 5 and 6 Girls' Football Team

Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport, for example by:	Total allocation
• Providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school; and • Hiring qualified sports coaches to work alongside teachers to enhance or extend current opportunities.	£2,500

Intent	Implementation	Impact

To improve Quality First Teaching in PE (and across the curriculum) through the use of Instructional Coaching.	All teachers understand the need to continually improve and whole-school investment in Steplab ensures that there is a coherent, evidence-based framework for improving teachers' knowledge, skills and impact. PE provides an excellent model for supporting teachers to understand Assessment for Learning.	Funded through the Pupil Premium	Instructional coaching using Steplab was implemented for all teachers, including our specialist PE teachers to enhance knowledge and skills further within PE.
To improve the quality of teaching and learning in PE for non-specialists.	The Greenways PE Lead has time allocated across the year to support colleagues to improve their practice through modelling lessons and working alongside teachers.	Funded through the PE Team	Opportunities were made available to all class teachers to observe PE lessons taught by specialists, as well as bespoke gymnastics training provided for the whole teaching team.

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils, for example by:			Total allocation
• Introducing new sports and physical activities to encourage more pupils to take up sport and physical activities; • Partnering with other schools to run sport activities and clubs; and • Providing more extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sport organisations.			£10,900
Intent	**Implementation**		**Impact**
To continue to provide a wide range of sports and physical activities through the updated PE curriculum.	The Sports Premium Grant will be used to provide for specialist teaching and high quality PE for all through the PE team staff. This investment enables us to ensure that all students at Greenways have access to a wide range of physical activity, including regular swimming and a coherent curriculum offer which incorporates individual and team sports.	Funded through the PE Team £5000 resources including ongoing replacement	All areas of the PE curriculum are delivered by specialist teaching staff. This includes swimming, with a pool on our school site. The curriculum is appropriately balanced with team and individual sports, developing gross motor skills and maintaining fitness levels, including a health and fitness programme delivered by our local Southend United football community.
To enhance students' access to clubs and physical activity outside of school.	The Greenways PE Team, through the contribution above is available to provide access to a wide range of clubs throughout the year. These align to the sports calendar and the events which run locally. Twenty sports clubs are run each week.	Funded through the PE Team	There has been a huge drive to increase the levels of participation in clubs, activities and events, with children specifically targeted where possible. 66% of children in the school attended a sports club during the year. 70% of Key Stage 2 children attended a club, with 56% of children in Key Stage 1. 55% of children identified with a SEND need attended a club and 54% of children eligible for Pupil Premium also attended a club.
To build community links with local sports teams, clubs and events.	The school actively promotes PE and sport opportunities in the local community through our weekly newsletter, including HAF opportunities on the school site. The PE Team also signposts to local sports teams and clubs. There are partnerships with a local karate club, tennis club and football club who provide opportunities for Greenways students. We build links with secondary schools and utilise	£1,000	The school has continued to prepare children for a wide range of sporting events. 52% of pupils in our school represented the school at a sports event during the year overall. 61% of children in Key Stage 2 represented the school and 30% of Key Stage 1. 38% of children identified with a SEND need represented the school at a sports event with 47% of Pupil Premium pupils also representing our school.

	their resources to improve PE and sport provision.		

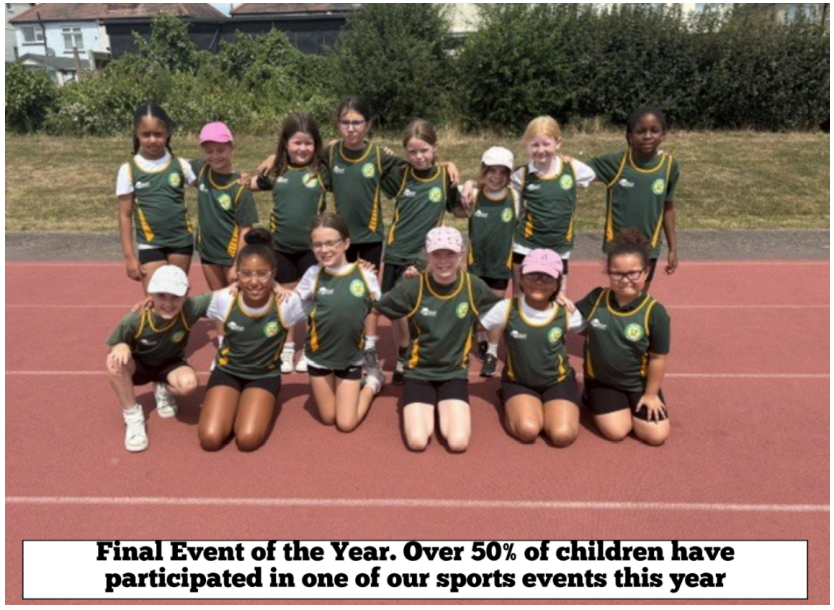

Yr 4 Girls Dodgeball & Benchball Festival, March 2026	AQUATHLON March 2026	Borough Sports Field 3rd Place June 2026	Borough Sports Overall 6th Place June 2026

Key Indicator 5: Increased participation in competitive sport, for example by:	**Total allocation**
• Increasing pupils' participation in the School Games; • Organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations.	£6,100

Intent	**Implementation**		**Impact**
To continue to enable high rates of participation in local SPSSA and Essex events and competitions.	Full membership of the SPSSA, enabling participation in a wide range of sports competitions and festivals throughout the year. Membership of local and county-wide football league and cup competitions e.g. Essex Cup. Transport arrangements to and from	£5,600	As evidenced above, the school has been highly involved in local SPSSA and Essex events and competitions throughout the year. Every effort has been made to ensure that as many children as possible are able to benefit from this opportunity. The positive impact on the children who participate is evident through their improved self esteem, confidence and keenness to be involved in future such events.

	these events will also be considered as part of this funding.		
To enhance opportunities for all students at Greenways to take part in a range of intra-school sports events.	The PE Team will organise a range of in-school events, aimed at increasing competition. This will include cross country running at an individual level, our annual sports day events and swimming galas.	£500	Our cross country events were attended daily by over 150 children across the school. This resulted in these children having an active start to their school day as well as recognising the social aspect which sport promotes. Our swimming galas and sports days were enjoyed by all members of our community and were supported by our older children.
